

Fabric Steamers

R1.011609

The powerful action of steam penetrates the fibers in fabrics, relaxing them and causing the wrinkles to release. It's like magic! The efficient and portable fabric steamers are a must have accessory to keep your flags, banners, and displays looking clean and wrinkle-free. Do not attend your next tradeshow without your fabric steamer!

Fabric Steamer 100

More power and longer steam time.

The Fabric Steamer 100 is lightweight, easy to store and glides smoothly over fabric, effortlessly steaming away wrinkles. The 1500 watt heater is ready to use in 45 seconds with a 40 minute continuous steam time.

Fabric Steamer 200

Portable steam power.

The convenient portability of the Fabric Steamer 200 does not lessen its power. The professional 1200 watt heater produces 20 minutes of continuous steam to eliminate wrinkles in any of our fabrics.

Fabric Steamer 300

The handy steamer.

This deluxe hand held steamer enables for a smooth, continuous steam. The Fabric Steamer 300 has a built-in soleplate for ironing-like steaming, a stand to keep the soleplate off the counter, and 1000 watts of power.
