

ASSEMBLY HARDWARE

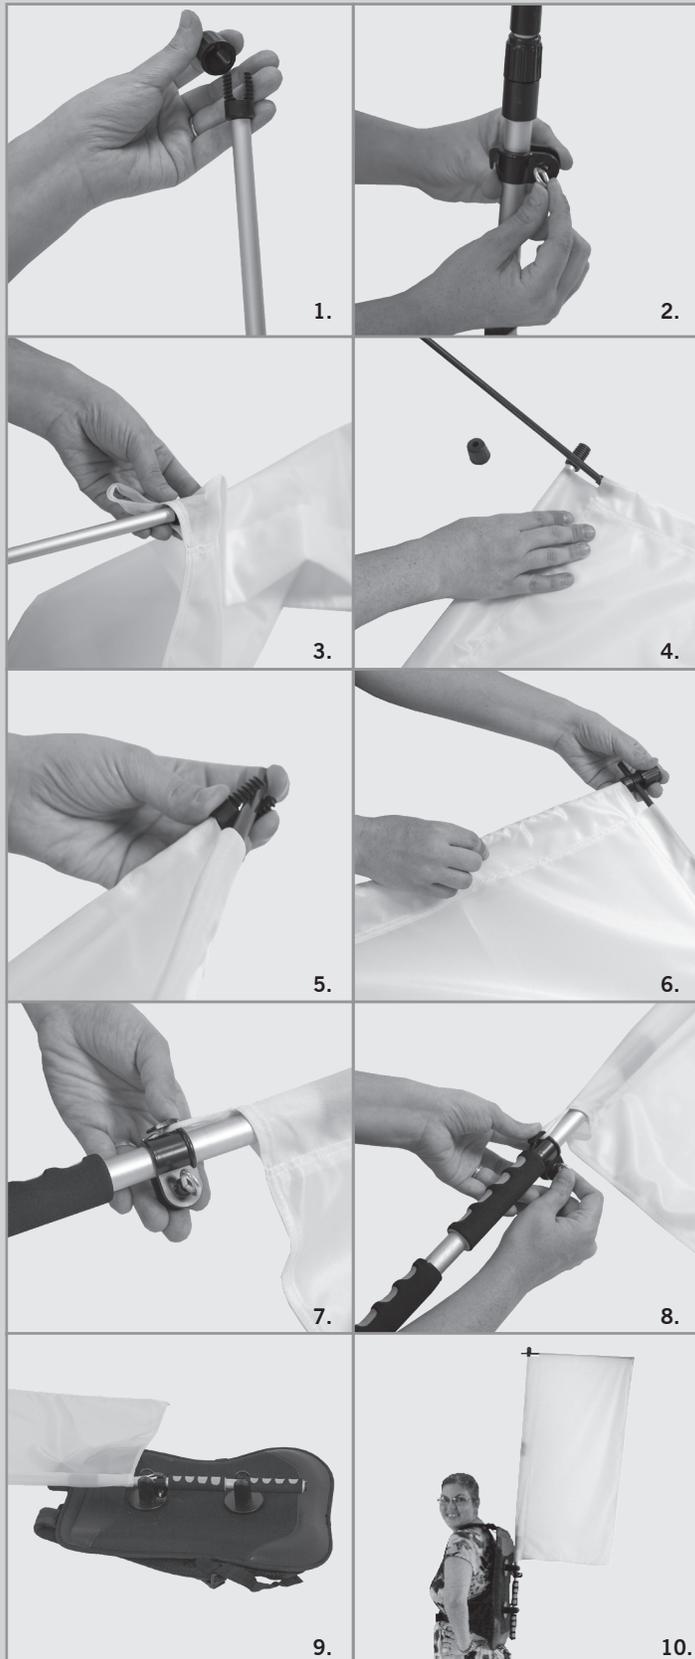

BACKPACK ASSEMBLY

1. Ensure the bottom spacer and mounting peg are together.
2. Slide the mounting hardware inside the back of the backpack.
3. Line the pegs up with the holes.
4. Attach the top spacer.
5. Screw on the mounting bracket.
6. Ensure both mounting brackets are attached.

FLAG ASSEMBLY

1. Unscrew the cap from the top mounting bracket.
2. Loosen the clamp's screw at the bottom of the pole.
3. Slide the flag down the flagpole.
4. Slide the vertical pole into the flag's pole sleeve.
5. Set the vertical pole into the top mounting bracket.
6. Screw the cap back on.
7. Connect the flag's loop onto the clamp.
8. Adjust the placement of the clamp until the flag is taut and screw until tight.
9. Attach the flagpole to the backpack by pressing the pole into the brackets.
10. Display your flag.
