

3-SIDED CEILING DANGLER

Technical Specifications | R1.101616

PRODUCT USAGE

This product is recommended for use indoors or temporarily outdoors.

DESCRIPTION

- Simple, easy-to-set-up displays that instantly accentuate any ceiling
- Each set is equipped with hanging hardware
- Choose from Small, Medium and Large hardware sizes, which accommodate print sizes from 10.0" x 5.0" up to 60.0" x 36.0"
- Hardware can be used time and time again so prints can be switched when needs change
- Frames are made of lightweight, highly durable polypropylene plastic
