ASSEMBLY HARDWARE

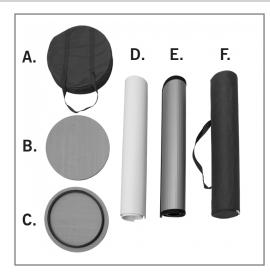

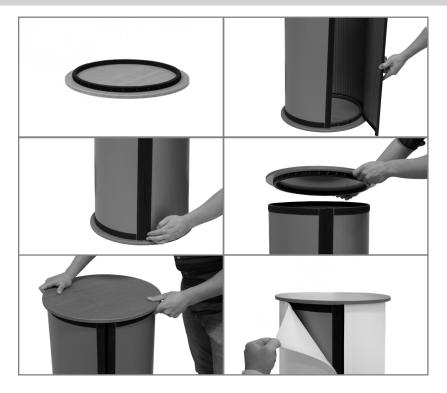

A. Polyester case for table top & bottom
B. Table top
C. Table bottom
D. Print (optional)
E. PVC frame
F. Polyester case for frame

White   Light Wood   Black

ASSEMBLY

1. Place the table bottom (C) on the ground with hook tape facing up.

2. Attach loop tape on the PVC frame (E) to hook tape on the table bottom (C).

3. Position the table top (B) with hook tape facing down. Press the table top carefully downward to fasten it to the PVC frame (E).

4. Starting at the connection point, attach the print's (D) loop tape to the frame's (E) hook tape.

Note: It is easier to attach the print if the frame is lying on the ground on its side.
