

STOCK YARD SIGNS

Technical Specifications | R1.100119

PRODUCT USAGE

This product is recommended for use outdoors.

DESCRIPTION

- Buy as many signs needed at a low price with these ready-made yard signs
- Created with 4mm corrugated plastic that's resistant to water and stains
- Signs are lightweight and can be purchased in bundles for convenience
- Signs can be staked into the ground with the optional hardware
- Double-sided layout ensures that the graphic is seen from both sides
- Buying options include two different stock designs and a set
