TABLECLOTHS Round - Standard
Technical Specifications | R2.111313

DESCRIPTION

Our selection of round tablecloths with all over or logo print can give you a wide range of choices to meet your advertising or promotional needs. The round tablecloths come in two different styles, the standard and the fitted. With the fitted style you have the freedom to choose between all over print or the logo print option. With the logo print option, you have the ability to print your logo, graphic, or text in an area of 24"X 17", and if desired, you can choose one of 14 background colors to enhance you graphic. These round tablecloths are made with a cotton-like fabric which has a slight stretch to it. Our tablecloths are machine washable and fire retardant and are durable enough to withstand use after use. These tablecloths are sure to attract the attention of the audience you are seeking.
