FENCE WRAPS
Technical Specifications | R1.011917

PRODUCT USAGE

This product is recommended for use indoors or outdoors.

DESCRIPTION

- With Fence Wraps, valuable advertising space won't go to waste
- Your client's unique design is printed on your choice of perforated fabric or vinyl material
- Both material choices allow wind to freely pass through without unattractive wind slits
- Standard and custom print sizes are available up to 50.0' long and 7.5' high
- Display the Fence Wrap with Pear Snap Hooks, heavy duty Carabiners, or Elastic Banner Cords
- Use indoors or outdoors to suite your client's needs
- Widely used for scaffolding, sports fields, construction sites and large format advertisement
